## Clip-Fill in the Nomination Blank Below and Nominate Your "Favorite" In the Big Race

### INTERIOR JOURNAL'S BIG TRAVEL TOUR AND PRIZE CONTEST STARTS TODAY

PARTIAL LIST OF NOMINATIONS IS PUBLISHED TODAY—FIRST LIST CONTAINS SCORES OF NAMES OF THE MOST POPULAR AND ENERGETIC PEOPLE IN THIS VICINITY—IF THE NAME OF YOUR FAVORITE DOES NOT APPEAR OR IF YOUR TOWN OR NEIGHBORHOOD IS NOT REPRESENTED, SEND IN A NOMINATION AT ONCE.

TOURS TO THE PANAMA EXPOSITION, NIAGARA FALLS, DETROIT, BUFFALO, ATLANTIC CITY AND MAMMOTH CAVE ARE GIVEN AWAY ABSOLUTELY FREE

The Interior Journal's Big Travel Tour and Prize contest starts today. Below is published a partial list of prospective candidates who have been nominated to date. The large number certainly indicates a remarkable interest in what is destined to be one of the most friendly struggles for a rich reward ever launched in this section of Kentucky.

In this list will be found popular people from all over this section of the state. The nominations were sent in, in many instances, by friends who expect their candidates to get busy and win one of the valuable prizes. It is an indication of the confidence some friend has in that candidate's ability to win. It is a gauge of capability and inferentially a nice little compliment.

Many New Names Will Come. It is the experience of the contest manager that many new nominations will come in after the first list has been published. It gives the people a chance to look over the list of names and see if their friends have been entered. So far that reason, many new names will appear in each district for some time to come.

Don't get the impression that by the publication of the first list of names, the nominations have been closed for such is not the case. Candidates may and will enter the race for many days to come and some of the ultimate winners may not enter the race for two or three weeks yet. Prospective candidates and their friends will have the privilege of sending in nominations up until the last few days of the close.

Don't Be Frightened. Prospective candidates and those whose names appear on the list should not be frightened at the long list of nominations which appear in today's issue. These candidates have simply been nominated by friends and all will not make the race. Even if all should make the race, it would be better for the candidates for it would split up the votes and take less votes for any one candidate to win.

Get Started at Once. If your name appears on today's list, write the Contest Manager, care of the Interior Journal, and he will send you printed matter and full instructions for conducting your campaign. If you are a prospective candidate who has been thinking of entering, send in your nomination.

With the list of nominations published today indicates the class of popular people to which this great prize competition has appealed, there is no reason why any popular and energetic person should hesitate about entering the big race. The contest is open to all. The prizes are very valuable and well worth the effort. The general particulars as to how the contest will be conducted are explained in a circular which will be sent upon request by addressing the Contest Manager, care of the Interior Journal, Stanford, Ky.

The hardest part of a campaign of this kind is to get started. After you do and your friends learn that you intend to make an active race, they will be glad to help you and you will have no trouble in securing votes and subscriptions. If a candidate so wishes, he can conduct practically his whole campaign by letters. The contest need not interfere with the school, employment or home life of a candidate. The contest manager has letters already printed for the contestant's use in reaching friends that he cannot reach personally and he will be glad to send as many as needed. Advise him how many you can use.

If there is any point about the contest that is not fully understood, write the Contest Manager, care of the Interior Journal, Stanford, Ky., for further information.

75,000 Extra Votes Free. Prospective candidates, who start their campaign early will be enabled to get a good start in the big race by taking advantage of the following offer:—On the first three subscriptions either new subscriptions or renewals, turned in before May 20th, candidates will receive three special ballots good for 25,000 Extra Votes Each (75,000 Votes in All) in addition to the usual number of votes given.

**Division of Districts.** The territory of the contest will be divided into two districts and there will be at least six prizes awarded to each district. Contestants are not confined to their own district in securing subscriptions but may come from anyone, anywhere in the postal union. The districts are as follows:—

District No. 1.—Includes all of Lincoln county.

District No. 2.—Includes the territory outside of Lincoln county.

**Office of the Contest Manager.** The Contest Department of the Interior Journal and the office of the Contest Manager is located at the Interior Journal office and prospective contestants and their friends are invited to call and learn the details of the mammoth Prize Contest.

**Who is Eligible.** Any (white) person married or single, of good repute, residing in this section of the state is eligible to participate in the big Travel Tour and Prize Contest. It is not necessary to be a subscriber of The Interior Journal in order to enter.

**How to Enter.** In order to enter the contest, fill in the nomination blank found in the paper with your name or that of a friend and bring, mail or send to the contest manager of the Interior Journal. Printed matter and full instructions will then be sent the prospective candidates as they desire. If you lack sufficient nomination blanks, simply write the names and postoffice address of the candidates on a white piece of paper, sign your name and address at the bottom and send to the Contest Manager of The Interior Journal. Names of those making nominations will not be divulged under any circumstances.

**The Prizes.** The prizes to be awarded in the Interior Journal's Big Travel Tour and Prize Contest, without a doubt, are the greatest list ever offered in a similar newspaper enterprise in this state. Not content with giving value received in the news line, the Interior Journal developed a generous streak and decided to do something really handsome for the benefit of its readers and friends, and incidentally prove a little sensation, which are fully convinced will develop into a big one before many weeks have passed.

The prize list consists of a 23-day Tour to the great Panama-Pacific Exposition, two tours to Niagara Falls, Detroit, Buffalo and Toronto or two Tours to Atlantic City, the premier seashore resort of the world, and ten trips to Mammoth Cave, the great Wonder Cavern of the world. Without a doubt, this is the greatest list of prizes ever offered in a similar newspaper enterprise in this section of the state.

**How Prizes Will Be Awarded.** There will be 13 prizes awarded in the Interior Journal's big Travel Tour and Prize Contest and at least six prizes will be awarded to each district. The territory of the contest is divided into two districts and contestants need only complete against those in their own district for any of the district prizes. Under this liberal arrangement, all candidates have an equal chance and it makes the prizes very easy to win.

**The Capital Prize.** The contestant securing the greatest number of votes in the entire contest will be given the choice between a 23-day Tour to the Panama-Pacific International Exposition at San Francisco, California, or a beautiful Leland Piano to be purchased from Hamilton & Smith. Thus a candidate who cannot take the trip, may have the Leland Piano or if the winning candidate wishes, he or she may take the splendid trip to the great Exposition.

**How Votes Are Secured.** With every subscription to The Interior Journal (when it is asked for) is given a ballot good for a certain number of votes, according to the length of the subscription. Subscriptions should be sent, brought or mailed direct to the Contest Manager, who will issue the vote ballots and send them back to the candidate. These ballots may be held as long as desired and voted at any time up to the last day of the contest. Candidates and their friends should also clip the coupon which appear in each issue of the paper as they are good for 50 votes for the contestant whose name appears thereon.

**Schedule of Votes.** Votes are given on back subscriptions, renewals and new subscriptions to The Interior Journal as follows:—

### SCHOOL TAX REDUCED 10c

Faculty, With Two Exceptions, Re-Elected for Next Term.

The faculty of the Stanford Graded and High School for the ensuing year were elected Tuesday night at the last meeting of the Board of Trustees before its reorganization with the two new members elected last week. The board also took a step which is bound to be very popular with the tax payers of the school district in a reduction of the school tax from 40 to 30 cents on each \$100 worth of property. The poll tax was fixed at \$1.25.

With the exception of two members of the faculty the same teachers were elected for the next year. Miss Claudia Eaton, of the High School faculty and Miss Ida Judd, of the Eighth Grade and Domestic Science departments, were re-elected for reappointment and their places will be filled later. Supt. W. C. Wilson, who has had a fine success in the management of the school since Prof. J. W. Ireland went to Bellevue, some time ago, was re-elected for a two-year term as superintendent, and a contract entered into with him for that period.

The teachers of the faculty re-elected were Misses Lucile Gastineau, Christine Merritt, Sallie Burdett, Ruth Darnall, Jennie Newland, and Annie McKinney and Mrs. H. D. Phillips and Mrs. C. H. Campbell. Miss Ellen Ballou was elected to succeed herself in the piano department. All elections were made unanimously.

### Escaped Prisoner Captured in Casey.

Deputy Sheriff Marion Adams, of Casey county, captured a harley Armstrong, the negro prisoner who escaped from the Stanford jail last Saturday morning, at his home on Rolling Fork, south of Hustonsville, about two o'clock Thursday afternoon. He brought the prisoner back to jail here and he is now safely lodged behind the bars and will undoubtedly remain there until the session of the grand jury. Armstrong says that he got so anxious to see his wife and child that he had to make a try to get away. When the case officer and his posse appeared at Armstrong's home, he was unable to get away. Jailer DeBorde paid to Deputy Sheriff Adams the \$25 reward that was offered for Adams' capture.

### Crab Orchard.

Miss Myrtle Murray returned from Meigs and returned from a most pleasant visit to Mrs. Maggie Gover, Miss Judd and other friends. Messrs. Walter and Howard Good and Clyde Curtis, and Misses Jewel Goodman, Annie Middleton, Mary Gray, Kate Middleton and others spent Sunday at High Bridge.

Mr. Tom Hays Bronaugh entertained the Junior Club last Friday night. Delightful cream and cake were the refreshments served. Dr. and Mrs. Edmiston entertained at the home of Mrs. M. E. Fish and your correspondent last Sunday at dinner. A most bountiful repast was served. Our pastor is becoming acquainted with his members here and we feel sure will do a great work in our church and society.

The ladies of the Christian church will have a strawberry and ice cream supper at the close of commencement of our High School. This supper is to be given for the benefit of the church, not the Ladies' Aid, so every member of the Christian church here is urged to request to donate something and be present. The supper will be given on the night of May 24.

Miss Susie Hunt spent Saturday and Sunday with Mrs. John King near town. A mysterious person is upsetting the milk element of our little city and making some of our boys afraid to keep late hours. This person appears dressed as a woman, and has been seen in various parts of town, acting very queerly, always silent, and disappearing as suddenly as she came. If she carries on her work very likely be some one determined.

### Mr. and Mrs. Hubbell Dead.

Mrs. James Hubbell died at the home of her father, James Benson, near South Fork Tuesday, Wednesday and was buried at Pleasant Point today. She is survived by her husband and two children by her first husband. Mrs. Hubbell had been a sufferer from tuberculosis for some time and had come from her home in Louisville to her father's hoping that a change would do her good. Her husband is in the employ of the Courier-Journal. The burial was to have occurred Thursday, but a brother living in New York State was unable to get here until today.

### Get one of those splendid 25c. dinners at Willis' restaurant when you come to work Monday.

### Ice Wagon Horse Runs Away.

The ice wagon in charge of Will Datson was the cause of some excitement Wednesday morning, when the horse pulling it ran away. Datson had removed the bridle to have it repaired. The animal jerked away from him and took out down Main street at a break-neck speed. Running into the yard of Dr. Peyton, the porch was struck and considerably damaged. From there the infuriated horse pulled his load into the yard of Chief of Police Carter. A fence was knocked down but when a huge tree was struck the horse stopped. The wagon was not damaged, nor the horse, as strange as it may seem.

### Don't Be a "Grouch."

### J. M. Sewell Dies In The West.

Relatives received information yesterday that Joseph M. Sewell, who married Miss Mary Eliza Pence, daughter of Mr. and Mrs. E. T. Pence, Sr., of this city, is dead of Bright's disease, at Long Branch, Cal. Knowing of the extreme illness of their son-in-law, Mr. and Mrs. Pence left Wednesday afternoon to attend the bedside. They did not turn back, when informed of his death, but went on to their daughter's home and will be present at the burial Monday. Mr. Sewell, who was 44 years old, was originally from Independence, Mo., and lived there until some five years ago, when he and family went to the Golden Coast. He was engaged in the real estate business there and was doing well, when illness and death cut short his life. He is survived by his wife and two daughters, Misses Elizabeth and Virginia Sewell, aged 14 and 11 respectively. He was a good citizen and impressed most favorably the many who met him during his frequent visits to the Pence family here.

### Delightful Rook at Hilltop.

Mrs. James H. Baughman entertained most delightfully at Rook at her handsome home, Hilltop, three miles south of Danville Thursday afternoon. The beautiful home was prettily decorated with roses and spring flowers and at the conclusion of the games a delicious collation was served. Mesdames John S. Baughman, of Stanford, and Adam Carpenter, of Moreland presided at the punch bowls. Mrs. G. G. Perry won the most games and was awarded a pretty hand painted fan. The guests present were: from Danville, Mesdames I. M. Dunn, R. L. Salter, Robert Harding, John S. Baughman, Miss Debra Baughman and Miss Dove Harris; from Stanford, Mesdames S. Owsley, W. A. ### Lincoln Girl Weds in Montana.

A Bozeman, Mont., paper contains the following of interest here, where the bride lived for a number of years before removing to the west about two years ago to make her home. She has many relatives and friends back in Kentucky, who will extend good wishes: "A very pretty wedding occurred in Bozeman on Wednesday, April 21, at two o'clock, in the parlors of the Rev. Edgar Valiant, the happy couple being Miss Bessie Hubbell and Mr. Olin Durham, both of West Flathead. The bride was dressed in white silk messaline, trimmed with pearls and shadow lace. The groom wore a neat suit of black. Mr. Hubbell for the past two years has taught the Meadowlark school, and her absence there is spoken of with regret. Mr. Durham is a young man of good character and well liked by all who know him. The happy couple reside on West Flathead, from the groom's father, where they will reside.

### City Council Orders New Pavements.

At the regular May meeting of the city council Thursday night it was decided to add considerable to Stanford's splendid system of concrete pavements. Ordinances were passed providing for the laying of concrete pavements at number of points where complaint has been made of present paving facilities. Concrete was ordered on Danville avenue from Dr. A. S. Price's place to the corner of John Bright, Sr., on Lancaster street from A. M. Huns' corner to the railroad; and beyond the railroad in front of A. T. Nunneley's property on both sides of the street, and Mrs. Mattie Nevius, thus completing the concrete paving on these sections. Seven concrete crossings were ordered laid at points where they will be most beneficial to pedestrians.

### News "Butch" Arrested.

The news "butch" on train No. 23 was arrested and taken off the train at Livingston Tuesday afternoon. The charge made was that he had sold whisky but he was acquitted of that charge as well as that of having in his possession more of the stuff than the law allows. The newsboy whose name was Hiss, proved by traveling man that the grip containing whisky did not belong to him, but that he was taking care of it for a man who had left the train. The story appeared to be a gauzy one, but it sufficed and the fellow was permitted to go his way.

### NEW OFFICERS ELECTED

By Stanford Woman's Club on Completion of First Year's Work.

(Contributed)

At the final business meeting of the Stanford Woman's Club for the past year, the following officers were elected for the ensuing year: President—Mrs. Wm. Severance. First Vice-President—Mrs. J. B. Paxton. Second Vice-President—Mrs. T. J. Hill. Secretary—Miss Belle Denny. Corresponding Secretary—Mrs. W. H. Shanks. Treasurer—Mrs. W. G. Withers. Reporter—Mrs. W. K. Wagner. Chairman of Program Committee—Miss Esther Burck. Librarian—Miss Mattie Paxton.

In reviewing the year's work the club feels that while it has not done all it hoped to do, it has made a good beginning in establishing the library, helping to clean up the town and assisting in oiling the streets.

The program committee provided an interesting and profitable study which has been very beneficial. The Club feels deeply grateful to all who have contributed in any way to the success of the work and especially do they thank the editors of the Interior Journal for their many courtesies, the officials who tendered the use of the club rooms, the town council for its co-operation, the librarian for her efficient services and all who have contributed to the library and oiling of the streets.

It is the aim of the Club to help along in any thing that will benefit the community, and it hopes to do greater things in the future.

There will never be another "first year," and much appreciation is felt for the able manner in which the president, Mrs. S. M. Sautley, has managed affairs. Her ability, enthusiasm, tact and faithfulness have contributed more than any other factor to the success of the work.

The Club adjourned with a rising vote of thanks to the president, to resume its work in September, when the new officers will assume their duties.

### New President for Centre College.

The trustees of Central University elected by unanimous vote, Wm. Arthur Ganfield, now a member of the faculty of Carroll College at Waukegan, Wis., to the presidency of the Kentucky institution. It is understood that he will take charge in June. The Presidency of Central University has been vacant since the resignation of Dr. F. W. Hinit, several months ago. The place pays \$4,000 a year and a handsome house is furnished. The position is considered one of the most desirable educational posts in Kentucky. Mr. Ganfield for twelve years filled the Chair of History and Sociology at Carv-C College. He is a native of Iowa and one of the noted educational leaders to be most popular with the students and is noted for his forceful speaking and attractiveness.

### Fell Down Flight of Stairs.

Miss Amanda Goggin suffered a painful accident the other day. She was on the second floor of the home of her nephew, Dr. T. W. Pennington, and intending to go into the hall, she stepped before she looked and fell the entire length of the steps, sustaining a number of cuts about the head and many bruises on her body. She was unconscious for some time and her relatives were very much alarmed. It was a narrow escape for her, and while she has suffered greatly, matters might have been very much worse. Miss Goggin is on the road to recovery, we are glad to say.

### Local Option Election Held Valid.

The local option election by which Bell county voted dry 2,443 to 1,885 last September was held valid by the Court of Appeals, notwithstanding the fact that by reason of a shortage of ballots in three precincts 40 voters were prevented from voting. The legal number of ballots—50 per cent. more than were cast in the last national and state elections—proved insufficient; but the court said if all those disfranchised were added to the vote against prohibition of saloons, the result would have been unchanged, so that the contestants were not prejudiced in their rights.

### Bridge Over Cedar Creek Closed.

The bridge over Cedar Creek, on the Crab Orchard and Stanford pike, will be closed from Monday, May 10th, to June 20th, during which time it will be replaced with a new one. Permission has been given to pass through the Garner premises and the creek can be forded by all classes of vehicles.—McKee Riffe, Road Engineer for Lincoln County. 37-3t.

It pays to advertise. R. J. Reynolds is one of the world's great men—he is a tobacco man. He has risen from laborer to president of the immense concern that bears his name. Mr. Reynolds has always made it a practice to put into newspaper advertising from two to three per cent. of his sales of the preceding year. When it is known that the sales of the Reynolds Company run well into the millions, the amount invested in advertising is considerable. More than that, what Mr. Reynolds says about the value of newspaper advertising should have weight with other business men who have not achieved his prominence or success. When the European war broke out Mr. Reynolds says he increased his advertising space in the newspapers. He followed an axiom laid down by John Wanamaker many years ago, that when business gets dull then is the time to do the heavy advertising. As a result of this investment, when times threatened to be duller than ever, Mr. Reynolds declares that his business since the outbreak of the European war has been better than ever before. There is a business lesson in this experience—one that every merchant of Stanford would do well to heed.

Editor Joe Robinson of the Lancaster Record, says Garrard county Democrats are against state-wide prohibition and for the county unit law. Do the good temperance Democrats of Garrard allow a man who led the fight for the whisky candidate for U. S. Senator and is now trying to elect the same whisky candidate, governor, to speak for them as to their temperance views?

Democrats won in the municipal election at Baltimore by an unprecedented majority, James H. Preston being elected mayor by over 15,000 majority. The rest of the ticket won by handsome majorities. Who says that things are not coming the good democratic way?

William Jennings Bryan is not the only member of the family who can do things. Charles W. Bryan, his brother, has just been elected a commissioner of Lincoln, Neb., and as he led the ticket by 700 votes he will more than likely be its mayor.

It has been sixteen years since Dewey annihilated the old Spanish hulks in Manila Bay. We are reminded of two things: How rapidly the time has passed and what a costly act Admiral Dewey's was for this good country of ours.

A "Bryan Special" passed through Lexington the other day. The Commemorative was not alone, but the train of thirty-five cars carried 80,000 gallons of grape juice. Mr. Bryan's favorite drink. It came from Westfield, N. Y., and was consigned to merchants of Texas and the Southwest.

Warden Osborne of Sing Sing thinks that prisoners should receive wages. He seems forgetful of the Biblical quotation that "the wages of sin is death."

Georgetown is now in the class with Hustonville, Middleburg, and Yosemite. Electric lights have just been turned on and the folks over there are sitting up nights watching them burn.

That good paper, the Danville Messenger, has just rounded out the fifth year of its useful existence. May it live forever and grow more useful and indispensable each year of its life.

## SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought I was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

At all druggists.

## CHIEF DEPUTY JAILER AIDED

Pat Donahue, of Jefferson County, Is Benefited by Tanlac.

Louisville, May 7.—Pat Donahue, Chief Deputy Jailer of this, Jefferson County, a man of unquestioned honesty and integrity, is among well known Louisville people who endorse Tanlac, the new medicine that is accomplishing such remarkable results in this city. Mr. Donahue's statement is as follows:

"It gives me great pleasure to recommend Tanlac, as I have found it quite beneficial in my case. I have used the medicine for a general run-down condition of the system."

The demand for Tanlac, the preparation referred to by Mr. Donahue, is now very great in Louisville, and is steadily increasing. In this connection, L. T. Cooper, who is personally directing the introduction of the famous medicine, said:

"I am indeed, gratified to see such marked enthusiasm, as I now feel justified in my prediction that Tanlac would prove just as successful in Louisville as it has in the larger cities. The system, besides being purified by Tanlac, is toned up and invigorated, at the preparation, aside from assisting the blood, reinvigorates the constitution, overcoming, as it seems to quickly do, nervousness, indigestion, non-assimilation of food, headache, backache, dizziness, kidney complaints, general run-down condition of the system, and many other complaints that are so common to thousands in this section."

"Tanlac is especially valuable in catarrh affecting the mucous membranes, which I consider the foundation of most ailments and diseases. People who are affected with catarrh of the head, throat and stomach are generally moody and depressed, with an occasional dull headache, accumulation in the nose and throat, affects memory, and a depreciated sense of smell and taste, which finally results in an affected hearing."

Tanlac can now be bought in Stanford at Penny's drug store.

## Judge Carroll to Retire?

News came from Frankfort that Judge John D. Carroll who represents the bench of the Court of Appeals, will not be a candidate for re-election when his term of office expires in about a year, and already his friends are looking for a successor. Judge A. Hardin, of Harrodsburg, and presiding judge in this district, as being very suitable timber to succeed Judge Carroll. The Lexingtonian said last week: We regretted to learn from the Judge John D. Carroll has fully determined not to stand for re-election to do so. He has made a splendid member of the State's highest court, and his decision will not only be regretted by all who know his worth but be a severe loss to jurisprudence.

Kidney Trouble Often Causes Nervousness and Heart Trouble.

Two years ago I was badly run down, not able to do any work; suffered from nervousness, heart trouble, kidneys and bladder in bad shape; no appetite, unable to do any work; and since using six bottles of Dr. Kilmer's Swamp-Root, I feel fine; am in excellent health and can do most any kind of light work. Since using the Swamp-Root I have been relieved of all the above troubles. I cheerfully give the above testimony, and hope others may be benefited.

## "Big Foot John" in Jail.

"Big Foot John" Engleman is in jail again. Some two months ago he robbed W. B. McKinney's chicken house but when informed that he was wanted by the officers, he skipped out. "Big Foot John" is one of Stanford's best natured, but most no account Negroes and it is nothing new to him to be behind prison walls.

### ALL PEAVINE 4092

Rex Peavine 1796—Lucy Wells 6404, by Peavine 85  
Champion Sire of World at Eight Years

All Peavine needs no introduction to the people of Kentucky. I have won more big events with his produce than any other firm or individual in Kentucky. He sired the champion colt and three-year-old stallion at the Kentucky State Fair 1914. Champions from the youngest to the oldest of his produce. I have sold six of his colts and fillies from fifteen to two months old for an aggregate sum of \$3,455.

FEE—\$25.00 TO INSURE A LIVING COLT

### SHIEK

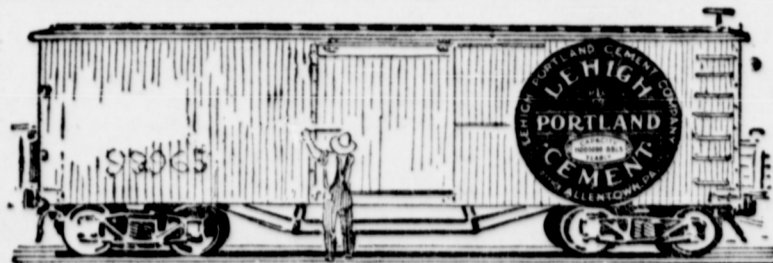

Shiek was the champion pony stallion of Kentucky at the Blue Grass Fair, at Lexington and Kentucky State Fair, at Louisville in 1913 and 1914. Big enough to sire a useful pony. Can do more under saddle and to harness than any pony in Kentucky.

### TEN DOLLARS TO INSURE A LIVING COLT

At same place two good mule jacks at \$10.00. \$10.00 for grey jack and eight dollars for young jack to insure living colt. Money due with all stock when colt is foaled or mare leaves possession of owner, at time of service. All care taken to prevent accidents, but not responsible should any occur.

### Almont Dare

A. S. H. R. 3228

Sired by Dignity Dare 1992, he by Chester Dare 10 he by Black Squirrel 58, he by King William 97; 1st dam Toxaway 4658, also registered in Vol. 10, A. S. H. R.; she by Abdallah Mambrino 3715, he by Almont 33; 2nd dam Lady Davis, by Crit Davis, by Bourbon Chief; 3rd dam, Mattie S., by Foreign Light, by Foreigner, by Imported Glencoe; 4th dam Bettie C., by Cunningham's Copperbottom. NOTE—Almont Dare's colts from grade mares bring as high as \$300 at weanlings to \$500 and \$1000 at three to four years; \$600 was offered for his dam at 2 years old and \$400 for his 2nd dam when horses were cheap. One full brother sold for \$3,600 and another reported sold for \$1,500, and one sister, Tossy Dare offered \$1,500 for. His 3rd dam could rack as fast as a good horse could run under whip and spur. He is a pretty bay 16 hands and weighs around 1200 pounds. Goes 6 distinct gait all good and fast. Pretty good breeding, don't you think so?

Season 1913 at my stable, 2 1/2 miles from Hustonville, on Liberty Pike at \$10 to insure a live colt. Money due when colt is foaled, mare parted with or moved elsewhere. Grass at \$2 per month and all stock will have my personal attention, but will not be responsible for accidents. Correspondence and inspection invited.

Will also stand my big mule and jenny jack on same terms.

S. T. POWELL, Hustonville, Ky.

### ROWLAND PEAVINE, Registered

Chestnut stallion, star and snip, foaled May 14, 1912. Sired by Rex Peavine 1796, by Rex McDonald 833, by Rex Denmark 840. First dam Bourboniste 9297, (full sister to Bourbon's Best) by Bourbon Chief 976, by Harrison Chief 1606, by Clark Chief 89 (Sims 89). Second dam, the Madison Square Garden champion, Judy Oliver 6407, by Red Cloud 2197, Indian Chief 1718, Third dam by Wilson's King 2197, Fourth dam, daughter of Sim's Clark Chief 2575.

This colt is deserving of careful consideration to the breeders of saddle mares, coming from a family of show horses, and a show horse himself, having defeated such colts as Richard Couer De Leon, which sold for \$1,500 and other good ones.

Will stand at \$15 to insure a living colt. It would be judicious to take advantage of this low price, for the chances are that his fee will be higher next season.

Remember that the best horses are the best bred ones.

Be sure and take a look at him next Monday, horse show and court day.

Will make the season to a limited number of approved mares at Nunnally's stock yards, Stanford.

Grass at 10c per day. Feed at cost.

### A Pen Picture of Edwin P.

Morrow From His Home Town

United States District Attorney Edwin P. Morrow, of Somerset, Ky., who is now spoken of so persistently as the next Republican Governor of Kentucky, is a young man of about 35 years of age, born in Somerset, Pulaski county, Kentucky, and has spent all his life in this mountain county. He is possessed of splendid talents and ability. As a lawyer and advocate before twelve men in a box he has few equals. When you see him engaged and engrossed in a case in court one feels that his whole attention is centered therein; when he makes his plea before a jury you know he is putting whole self into it—living and feeling every word he utters—he makes his client's case his own.

As a campaign speaker he immediately reaches the hearts of his audience, never overshooting the mark, using always the plain speech of the common people, with the capacity of flights of eloquence which stir the imagination and grips the heart-strings of his hearers.

With all his achievements he never takes himself; he has an almost boyish trick of throwing back his head, passing his hand over his face, and laughing. He knows everybody and everybody knows him. No one ever dared to "Mr." him, but it is always "Hello, Ed." He is plain

as an old shoe, knows nothing of formality, and has such a genuine love of humanity, that it is no wonder his is always spoken of in words of affection.

When the good old summer time comes—his heart is right there—he forgets about law and statesmanship—he loves the hills, the trees, the birds and the creeks—they all seem to have a special meaning for him, and he enjoys nothing more than donning fisherman's clothes and going forth to spend a day along the banks of the picturesque streams that abound in the hills of his native state.

You can see another side of his nature in his own home—a simple cottage surrounded by deep shade and vine-clad. There all is peace, happiness and contentment. It does one's heart good to see him come walking down the street with his head thrown back, singing some lullaby, then glance down and see two happy children swinging and dancing along at his side.

These are pictures one can see of the possible Governor of Kentucky in his old home town.

B. H. Buchler.

Dam of Silent Brook 2:16 1/2, Reddie Clay (4) 2:25 1/4, etc.

Silent Brook 19769, 2:16 1/2, sire of Billy Burk 2:03 1/4, Meadow Brook 2:06 1/2, Shawbay 2:07 1/4, Zarrine 2:07 1/4, Betty Brook 2:09 3/4, Emma Brook 2:09 3/4, Lady Bellbrook 2:10, Butter Brook 2:10 1/4, Silent Brigade (2) 2:10 3/4, Margaret Bathgate (4) 2:11 1/4, etc. Sired dam of Chatty Direct (4) 2:07 1/4, etc. His dam, Jenny Clay, also produced Reddie Clay 2:25 1/4, and was granddam of Prue 2:21 1/2.

Moko 24457, sire of Ferno 2:05 1/2 (winner Kentucky Futurity), Brenda Yorke (3) 2:08 1/4, (Futurity winner), (5) 2:04 1/4, Native Belle (2) 2:07 3/4 (Futurity winner), (3) 2:06 1/2 (champion three-year-old filly), Manrico (3) 2:07 1/4 (Futurity winner), Silver Silk (4) 2:08 1/2, Susie N. (3) 2:09 1/4 (Futurity winner), Gomoko 2:10, Mobel 2:10 1/4, Mochester 2:10 1/4, Monaster 2:11, Silko (3) 2:11 1/4 (Futurity winner) etc. Sired dams of The Harvester 2:01 (champion trotting stallion), Vito (4) 2:09 1/2, Martha Tipton (4) 2:09 1/4, O'Neil (3) 2:13 3/4, Brother to Bumps 2:03 1/4, Baron D. 2:10, etc.

Bleucher 46158, record 2:29 1/4, trial mile 2:14 3/4, half in 1:00, last quarter in 32 seconds, is a handsome seal brown horse, and will weigh 1100 pounds. He greatly resembles his good sire Silent Brook and is out of Clay, by the great Futurity sire Moko.

Foreign demand will exhaust the supply and we may expect better prices for our horses in the future. Our advice to mare owners is to breed their mares and to breed them to stallions of merit and proven worth as sires. Bleucher is just the type to produce the colts that will supply the demand. His colts have proven fine, with nice head and neck and plenty of bone and conformation.

This great trotting stallion will make the season of 1915 at my stable in Lancaster, Kentucky, at \$20.00 to insure a living colt. I am prepared to care for mares at 10c per day. W. B. BURTON, Lancaster, Ky.

## Cock Robin, Jr.

Spotted Stallion Pony, by Cock Robin, the great show pony. 51 inches tall. perfectly broken to ride and drive. Can rack and trot like a big horse. **DON VARRICK** will make the season of 1915 at my stable, 1-4 mile from Crab Orchard, on the Singleton place at ten (\$10) dollars to insure a living colt. Description and Pedigree—Don Varrick is a beautiful chestnut, 16 1-2 hands, with snip and white hind feet; weighs 1400 pounds and as compactly built as a pony, with plenty of bone and finish. He is a superb breeder as his colts will show for themselves. Prestolight, one of his colts went a mile last year at Lexington in 2:11 1-2 and another in Ohio in 2:10. No other horse ever stood at so low a price with two colts in the ten list. Don Varrick is by Onward Silver 2:05 1-4; 1st dam by Wilkes Boy 2:24; 2nd dam by Bogg's Grey Eagle. Don Varrick has plenty of speed, having shown quarters in 34 1-2 seconds and went half mile at Danville on 1-2 mile track in 1:10. He has a splendid disposition which he imparts to his colts. All his colts are prompt drivers, full of vim. They need no whip. See him before breeding elsewhere. He will take your eye and you will make no mistake in breeding to him.  
A FINE MULE JACK.—I will also stand the Bun Gaines jack at the same place at \$10 a season. Will stand a fine registered Shorthorn Bull at \$2 to insure. Money due in all cases when animal is bred elsewhere or parted with.

**Good Roads News.**

A bond issue of \$150,000 for roads in McCreary County will be voted this summer. R. C. Terrell, Public Road Commissioner, has been notified that the election for the bond issue would be held this year. The Fiscal Court of Owen county will offer to the citizens residing on the highways to Warsaw, Georgetown and Newcastle to construct a model road along the highway on which the residents offer the largest amount of money in subscription to aid in the work. The state will donate \$4,700 for that purpose. The Fiscal Court of Jessamine County has submitted to Attorney General Garnett the question whether or not the brother

of the County Road Engineer could contract legally with the county to build roads.

# Maxwell "The Wonder Car"

**You will have only yourself to blame if you are "talked into" buying an "unsuitable" or a "theoretical" Car.**

The two commonest mistakes made in buying an automobile are—*First*, Buying a car not suited to your needs.—*Second*, Buying a car that has not passed the theory stage.

The first mistake—buying an "unsuitable" car—is perhaps made even less often than the second. But for your own sake study your needs sensibly, just as you study your household needs, and buy a car you *can* afford to enjoy—a car you will have pride in, and yet one that will not be a "ghost of reproach" to your good sense.

The second mistake—buying a "theoretical" car—is perhaps the sadder mistake of the two—because when you have made this mistake, you have on your hands some engineer's or designer's untried theory, instead of a tried, known, successful car. And you have paid a price that, put in the right car, would never have been a reproach—but would have

bought an automobile of real pride and joy.

It is because we see these two mistakes being constantly made—because we see sensible people being constantly talked into these "automobile fiascos" that we boast so much about the record of the car we sell—The Maxwell.

38,000 happy satisfied Maxwell owners are driving 38,000 handsome streamline Maxwell Cars to-day—at an up-keep cost that any man of any standing can afford, and at an original cost that is simply a practical investment.

### 200 Maxwell Cars Every Day

Twelve hundred a week, five thousand a month. That is the actual output of "The Wonder Car" right now and constantly increasing.

Not bare promises that cannot be kept, but actual deliveries to Maxwell Dealers.

Stop! Think a moment. There must be something back of a production so great. There must be the hearty approval and confidence of the public in the car they buy and the car must merit it all.

26 Maxwell cars every hour of the business day. Yes, that is just what the public are buying, and when you order a Maxwell, you get one the day you want it.

Back of each Maxwell stands one of the greatest and most efficient organizations in the industry, and one strong enough financially to insure you against the purchase of an "orphan car" and to give you actual deliveries of a wonderful car on the day you want it.

### The Maxwell Company's Guarantee of Service to Maxwell Owners

No other automobile is backed by a more reliable service than that guaranteed every Maxwell owner. More than 2,000 Maxwell dealers—in every part of this country—are always ready to give expert advice, to make adjustments, and to supply new parts at reasonable prices.

This splendid Maxwell dealer service organization is perfected and completed by the chain of Maxwell owned and Maxwell operated Service Branches. Sixteen great Maxwell Service Stations are so located throughout the country that a Maxwell dealer can supply any part for an owner within a few hours if not in his stock. Maxwell Service is one of the great advantages enjoyed by Maxwell owners.

Order a Maxwell from us now, and when you want it delivered, we will give you your car—not an excuse on delivery day

### NOT ENOUGH CHILDREN

ever receive the proper balance of food  
to sufficiently nourish both body and  
brain during the growing period when  
nature's demands are greater than in  
mature life. This is shown in so many  
pale faces, lean bodies, frequent colds,  
and lack of ambition.

For all such children we say with  
unmistakable earnestness: They need  
Scott's Emulsion, and need it now. It  
possesses in concentrated form the very  
food elements to enrich their blood. It  
changes weakness to strength; it makes  
them sturdy and strong. No alcohol.

### Heard About Town

The quarantine having been lifted,  
my stock yards will be open next  
Monday. Bring in your cattle and  
stock for it looks like the market will  
be good. A. T. Nunneley, Stanford.

Attorney C. E. Rankin, of Har-  
rodsburg, was here Thursday with  
representatives of an insurance com-  
pany which is lending money on farm  
lands.

News was received here Thursday  
of the death of Mrs. William Soden,  
of New York. Mrs. Soden was a  
niece of Mrs. George F. DeBorde and  
J. F. Dudderar, of this city, who she  
visited last summer.

H. C. Carpenter, of this city, agent  
for the Maxwell automobile, last  
week sold a new touring car to E. A.  
Harmon, of Perryville, Boyle county.  
Mr. Carpenter bought Mr. Harmon's  
used Ford car which he soon sold to  
Welch Rochester of this city.

The following Lincoln county gen-  
tlemen have been notified to report  
at London next Monday for Federal  
jury service: M. S. Baughman, for  
the grand jury, and E. T. Pence, Sr.,  
John Engleman, Sr., T. L. Carpenter,  
and George Leach for the petit jury.

The Wakefield players have been  
putting on some extra good vaude-  
ville and musical stunts at the opera  
house three nights this week, and  
good crowds have attended. Manager  
C. Hays Foster is giving his patrons  
a fine line of attractions, and his  
moving pictures get better all the  
time.

Walter Milburn, who has been in  
the employ of Editor J. M. Alverson,  
of the Anderson News, for the past  
five or six years, has resigned to ac-  
cept a position with the Swift Pack-  
ing Co. He came up Thursday and  
after spending a week with his sis-  
ter, Miss Annie Milburn, will begin  
work.

Deputy Internal Collector W. N.  
Craig, who was at home several days  
early this week, has sold his optical  
outfit to C. M. Adams, who will open  
up an office at Crab Orchard. Dr.  
Craig is kept very busy with his work  
for Uncle Sam, investigating viola-  
tions under the new narcotic drug  
law, and has not time to devote to  
anything else.

### MIDDLEBURG

Rev. J. W. Beagle preached at the  
Baptist church on the fourth Sunday  
in April. A business meeting was held  
immediately after the sermon and he  
was called to the pastorate for the  
fourth time. Rev. Beagle's discourse  
was highly pleasing to those who  
heard him. He will take charge of the  
work about June 1st.

This town has always been noted  
for fat men and is still holding it own.  
Prof. H. H. Cherry denies that his  
withdrawal from the gubernatorial  
scramble was in the interest of any  
candidate, but there are those ungen-  
erous enough to think that the pro-  
fessor discovered that there was not  
sufficient room on a whisky platform  
for two.

W. T. Miller, F. L. Jones and Mrs.  
Clara Sharp went to Arabia Sunday  
to visit the family of James Benson.  
The members of the Baptist church  
met Sunday afternoon and organized  
a B. Y. P. U., as an auxiliary to the  
Sunday School and other church work.  
H. C. Toombs, of New Salem, was  
here on business Saturday. Herbert  
Benson accompanied him home and  
remained over Sunday.

Miss Ruby Lee Fogle returned from  
Danville Saturday.

Mr. W. T. Coulter, who has been  
ill for some weeks, is improving slowly.  
The Republican campaign for nomi-  
nations for Circuit Clerk and Repre-  
sentative is uninteresting so far. It  
was thought that there would be a  
warming-up by this time, but there  
seems to be but little doing. The  
friends of ex-Judge Lincoln Wells are  
betting on him, but F. A. Land has  
a few followers here.

## Gets Right Twist On Rheumatism

Makes Short Work of Cleaning Out Your Entire System—Aches and Pains Go Fast.

In S. S. S. You Get a Twist on Rheumatism that Settles It.

Many a rheumatic sufferer has been to the drug store for a bottle of S. S. S. and been handed something claimed to be "Just as good." Truly, to ask for bread and be given a stone is still in practice. If you are troubled with rheumatism in any form be sure to use S. S. S. and note its wonderful influence.

S. S. S. has the peculiar action of soaking through the intestines directly into the blood. In five minutes its influence is at work in every artery, vein and tiny capillary. Every membrane, every organ of the body, every emunctory becomes in effect a filter to strain the blood of impurities. The stimulating properties of S. S. S. compel the skin, liver, bowels, kidneys, bladder to all work to the one end of casting out every irritating, every pain-inflicting atom of poison; it dislodges, by irrigation all accumulations in the joints, causes acid accretions to dissolve, renders

them neutral and scatters those peculiar formations in the nerve centers that cause such mystifying and often baffling rheumatic pains.

And best of all this remarkable remedy is welcome to the weakest stomach. If you have dragged yourself until your stomach is nearly paralyzed, you will be astonished to find that S. S. S. gives no sensation but goes right to work. This is because it is a pure vegetable infusion, is taken naturally into your blood just as pure air is inhaled naturally into your lungs.

Get a bottle of S. S. S. today, and ask for S. S. S.

You may depend upon it that the store that sells you what you ask for is a good place to trade. Write to the Swift Specific Co., 204 Swift Bldg., Atlanta, Ga., for their Book on Rheumatism.

## KENTUCKY GENTLEMAN

No. 5167 A. S. H. R.

is a handsome chestnut with beautiful mane and tail; is 15.3 hands and will weigh about 1,150 pounds; has the very best of feet and legs; good flat bone, broad sloping shoulders; short, stout back and a horse of the most wonderful endurance. He is an impressive horse, standing still and is more so in motion; sets himself just right, never touches himself anywhere and has exceptional speed at the rack and trot. He was one of the most successful horses shown last year. He was shown at three fairs and won the combined stallion class at each place.

Kentucky Gentleman has the qualities that are necessary to the production of a perfect horse—color, size, style, speed, action, and endurance, and ideal breeding. He is sired by Chester Peavine 3184, by Rex Peavine 1796, by Rex McDonald 833. Dam, Flora Carter 8419, by Red Squirrel 53, by Black Squirrel 58, by Black Eagle 74, by King William 67.

In offering the services of this grand young horse to the public, I feel that I am giving them their money's worth. Give him the same class of mares and I do not believe there is a horse in the State that will beat him producing high class colts, (no matter how high the service fee.) Breeding to Kentucky Gentleman is no longer an experiment. Bring him a good mare and he will get you an extra good colt. Do not take your mares thirty or forty miles to breed when you have just as good a horse right at home and for less than half the money.

Kentucky Gentleman will make the season at my home, one mile from Stanford, on the Danville pike at \$20.00 to insure a living colt. Money due when colt foaled. Care taken to prevent accidents, but not responsible should any occur.

# Voltaire 55140

There is no doubt about Voltaire being the best breeding as well as the best bred big horse in the county and possibly in the State. Each time he has been shown he has easily won first premium and his colts have won first every year they have been shown. There has been more demand for big horses within the last year than was ever known before. Quite a good many farmers have almost stopped raising horses and that is sure to make a demand for them. Nearly every farm paper you see advises the farmer to raise bigger and better horses. I think right now is the farmer's opportunity. Bring your good mares to Voltaire and you are sure to get a good colt. He will make the season at my farm, one mile from Stanford on the Danville pike at \$15.00 to insure a living colt. Money due when colt is foaled.

I will also stand a good young Jack. He is a heavy big boned fellow, and I think will make a good breeder. Will stand at \$10.00 to insure.

## Farm and Stock News

J. G. Cecil, of Boyle, has sold his growing crop of wheat at \$1.10 per bushel.

Wilkinson & Early, of Liberty, bought 1,100 acres of land near Harrodsburg, Tenn., for \$5,000. They bought it for the timber that is on it.

The quarantine having been lifted, my stock yards will be open next Monday. Bring in your cattle and stock for it looks like the market will be good.

A. T. Nunnally, Stanford, Tom Bond, of Lawrenceburg, sold to Henry Knight and son 400 of the finest cattle ever fattened in Anderson county. They averaged about 1185 pounds and brought 7 1/4 cents per pound. There was over \$3,000 involved in the deal. The cattle were shipped from the Lawrenceburg country near Lawrenceburg. The cattle were weighed up and shipped Saturday to the eastern market.

R. E. Moreland, well-known trainer of Lexington and formerly of Stanford, has sold to Mrs. John Jacob Astor, of New York, a beautiful chestnut saddle mare, which Mrs. Astor purchased to ride on hunting trips, fifteen and one-half hands high and one of the handsomest horses shipped from the bluegrass country in a long time. The price was not made public.

Fifty-five head of yearling thoroughbreds, the property of various owners, were sold at Tattersalls in Lexington at an average of \$717.25. The highest priced horses of the sale were two colts out of this consignment, both chestnut colts by Ballot, that were sold for \$2,800.00 each. The first, out of May Hempstead, dam of Golden Grain, Tsara and Perpetual was bought by Andrew Miller, of New York, owner of Roamer, the crack three-year-old of last season. W. W. Darden, of Memphis, secured the offer \$2,800 beauty out of Ollie Belle dam of Beaucoup.
